**CLUCK, CLUCK, BUCKLE UP.**

(That would make more sense if I were a chicken.)

**Buckle up**  
Buckle your seatbelt and arrive safely this Thanksgiving Day.

**BUCKLE UP AMERICA**  
Every Trip. Every Time.

## Only Bird Brains Forget Safety

# Buckle Up

On Thanksgiving weekend, millions of Texans will be traveling, eager to spend time with family and friends. Many will use ride-share services going to and from the airport.

- Rear-seat passengers are 3X more likely to die in a crash if they are unbelted
- Buckling up doubles your odds of surviving a fatal crash

— NHTSA, GHSA, National Safety Council

Thanksgiving Eve is sometimes called “Drinksgiving” because so many return home and crowd the bars.

- More than 800 people died in alcohol-impaired crashes during the Thanksgiving holiday period from 2012-2016
- Plan ahead for a safe ride home

— NHTSA
