

# TOILET TABLOIDS

TXDRIVINGCONCERN.ORG

Let's keep each other safe

## Sobering Truths

- **5.5% of drivers say they have driven impaired often or very often**
- **11.7% of drivers say they have driven when they thought they were legally impaired**

— Results of public opinion survey/Traffic Injury Research Foundation USA

### Safety Tips

1. Plan transportation before you go anywhere alcohol will be served
2. Take turns with friends to be the designated non-drinking driver
3. If you see someone attempting to drive after drinking, take their keys
4. At parties: provide alternative drink choices such as juice or water
5. If you see someone driving erratically, call 911

— National Safety Council

### Reasons People Drink and Drive

1. Thought they were OK to drive (47%)
2. Didn't have very far to go (12.6%)
3. Thought they could drive carefully (10.9%)
