Be Smart, Drive Safe: No need to fret if you –

1. Put your cell phone away and drive distraction free
2. Buckle up, every seat, every time – even in a ride-share service
3. Drive to conditions and keep your speed down
4. Avoid tailgating and road rage
5. Never drive impaired by alcohol, drugs or when drowsy

- 1 in 5 crashes in Texas involves distracted driving

- Nearly one-third of fatalities on state roads are linked to DUI-alcohol

- 68 crashes every day are the result of following too closely

– Texas Department of Transportation, 2017 data
