Let's keep each other safe.

## It's Not About the Luck of the Irish

### Traditions

People dress in green, wear funny hats and drink green beer to celebrate St. Patrick's Day each year on March 17.

### Fatal Facts

Between midnight and 5:59 a.m. March 18, 2017, three-fourths of crash fatalities on U.S. roads involved a drunk driver. Don't be a statistic.  
— National Highway Traffic Safety Association

### Celebrate Safety

1. Plan ahead for a sober ride home.
2. Buckle up: every seat, every ride. It's your best defense against a drunk driver.
