

# TOILET TABLOIDS

TXDRIVINGCONCERN.ORG

Let's keep each other safe.

## Love Your Loved Ones Enough To ...

 Silence your phone:  
Calls and texts can wait

Buckle Up: Every person,  
every seat, every time 

Stay alive, don't  
drink and drive 

Get enough sleep: Fatigued  
driving is impaired driving 

 Drive to conditions: Normal  
speed meets every need
