Let's keep each other safe.

As the Summer Heats Up, So Should Your Safety Game

Driving to Work or Taking a Family Trip: There is no need to rush. Speeding and reckless driving put everyone at risk.

Driving too fast makes it harder to react to dangerous situations, reduces a driver's ability to steer safely around curves or objects and increases the force of impact in a crash.

- Safe driving is more important than ever because our first-responders are preoccupied during this time of crisis
- Buckle up: Every person, every seat, every time
