

TOILET TABLOIDS

TXDRIVINGCONCERN.ORG

Let's keep each other safe.

Responsible Choices

What is it about fun in the sun, hot weather, pool days with friends and grilling out that makes you reach for a cold drink?

If you are the host, **monitor alcohol intake** of your guests, or plan for an alcohol-free event.

When you drink, don't drive.

txdrivingconcern.org

If you are going to an event, never drive impaired. Remember: **Impairment begins with the first drink.**
