## Make Summertime a Safe Time

### Avoid Risky Behaviors

- Drive distraction-free (texting is dangerous and illegal)
- Obey posted speed limits
- Always drive sober

Alcohol and other drugs, whether legal or illicit, can cause impairment. They also can impact coordination, judgment, vision and reaction time. All are necessary for safe driving.

Buckle Up. Every trip, every seat. Ensure that everyone in your vehicle is buckled up in age- and size-appropriate car seats, booster seats or seat belts.

In the heat of summer, choose a non-alcoholic drink like this “Frozen Lemonade” mocktail

### Ingredients:

- 4 cups (1 qt.) vanilla ice cream
- 2 cups refrigerated lemonade
- 2 tablespoons fresh orange juice

### Directions:

Process all ingredients in a blender on high speed until mixture is completely smooth, about 1 minute. Serve immediately.
