

# Traffic Tabloid

## IT'S TEXTING OR DRIVING

NINE people in the United States die EVERY DAY in crashes that are reported to involve a DISTRACTED driver

Texting combines ALL three types of driving DISTRACTIONS at once  
**VISUAL, MANUAL and COGNITIVE**

### MANUAL

Something that causes you to take your *HANDS* off the wheel

### VISUAL

A distraction that diverts your *EYES* off the road

### COGNITIVE

Anything that takes your *MENTAL* focus off the road

# DID YOU KNOW?

Anything that takes your *ATTENTION* away from *DRIVING* can be a distraction that endangers you, your passengers and others on the *ROAD*.

Drivers using hands-free devices can be *COGNITIVELY* distracted. Since your *MIND* is occupied elsewhere, you can miss up to *HALF* of what's in your field of vision.
