

# Traffic Tabloid

## Safety is as simple as

- ✓ School zones are in place to ensure the SAFETY of children in/around schools
- ✓ Drivers are responsible for maintaining SAFETY and AWARENESS on streets surrounding schools
  - \* Expect increased traffic in/around school zones
- ✓ RECOGNIZE school zones and yield the right of way to buses
  - \* **AT ALL TIMES**
- ✓ REDUCE speed when traveling through school zones and be on the lookout for buses and pedestrians
